

**Notification of The Department of Royal Rainmaking and Agricultural Aviation  
On Intention on Administration with Good Governance Practice**

---

Recognizing the National Anti-Corruption Strategy Phase 3 (2017-2021), determining prevention and suppression of corruption and misconduct to be one of the significant national policies;

Realizing and responding to the Strategy, the Department of Royal Rainmaking and Agricultural Aviation has collaborated with all sectors to prevent and fight corruption and misconduct to build trust in stakeholders on the administration of the Department;

I, Dr. Surasri Kidtimonton, Director-General of the Department of Royal Rainmaking and Agricultural Aviation, together with executive officers, hereby declare our sincere intent to administrate the Department faithfully and transparently in accordance with the principle of good governance as follows:

1. Perform each step of works in compliance with laws and regulations, as well as encourage the Department's officers and staffs to do so.

2. Educate and raise awareness and value of the Department's officers and staffs on corruption resistance, distinguishing between individual and public gains, balance of internal power forcefully and effectively, and dangers of corruption effecting the Department and the nation; so as to mutually build sustainable anti-corruption culture.

3. Do not condone and tolerance corrupt behaviors punished by social sanction which will make the Department's officers and staffs to be ashamed or afraid of corrupting.

4. Intent to work with righteousness, faith, rapidity, and effectiveness, as well as to be aware of changes of corrupt practices and incompliance with performance standard.

5. Focus on administrating the Department in accordance with the practice of good governance, building culture of integrity in the Department, and managing budget with transparency and worthiness to yield maximum benefit, as well as being liable for the failure of work performance.
