

**The Declaration of Department of Royal Rainmaking  
and Agricultural Aviation  
On Intention of Integrity on Administration**

---

According to National Anti-Corruption Strategy Phase 3 (2017 - 2021), the Integrity and Transparency Assessment (ITA) is set as a significant tactic which is upgraded to be “an Approach Measure for Anti-corruption” that all government agencies shall implement it in order to achieve good result and guideline on developing and improving themselves on ITA appropriately.

Department of Royal Rainmaking and Agricultural Aviation has concerned about problems and impacts of corruption providing negative effects to the nation and people. Hereby, we strictly abide by prevention of corruption in all forms. I, “Dr. Surasri Kidtimonton”, Director-General of Department of Royal Rainmaking and Agricultural Aviation, together with executive officers, would like to declare our intent that we will set a good example for our officers by administrating the Department faithfully and transparently in accordance with the principle of good governance to build trust in society by conducting as follows:

**1. Transparency:** To openly provide upon request the Department’s information which is accurate, clear, completed and up-to-date. To allow investigation on the Department’s administration according to the announced policy.

**2. Accountability:** To administrate the Department with integrity to achieve its missions in accordance with the practice of good governance, and to be liable for the failure of work performance and administration.

**3. Corruption-Free:** To perform each step of works in compliance with laws and regulations, as well as to be free from abuse of policies or functions without cronyism and bribery.

**4. Integrity Culture:** To promote culture standard of value of integrity and anti-corruption in the Department, to determine mechanism or system for preventing conflict of interest, and to develop concrete measures of corruption prevention and suppression.

**5. Work Integrity:** To control standard and fairness at work and service to response to public demands, and to administrate the Department with integrity in areas of human resource management, budget management and other work assignment.

**6. Internal Communication:** To raise awareness of work performance with integrity and transparency, and also conveying the above 5 policies through communication channels or methods to the Department's officers and staffs to acknowledge, understand and abide by this policies.

We would appreciate your acknowledgement.

Given on December 12, 2017

Dr. Surasri Kidtimonton  
Director-General  
Department of Royal Rainmaking  
and Agricultural Aviation
